No Smoking Policy

Policy statement

We comply with health and safety regulations and the Welfare Requirements of the EYFS in making our setting a no-smoking environment - both indoor and outdoor.

Procedures

- All staff, parents, volunteers and visitors are made aware of our no-smoking policy.
- We display no-smoking signs within the setting.
- The no-smoking policy is present in our policy pack for parents.
- We actively encourage no-smoking by having information for parents and staff about where to get help to stop smoking if they are seeking this information.
- Staff, parents, volunteers or visitors do not smoke in a room, or outside play area, when children are present or about to be present.
- Staff who smoke do not do so during working hours unless on a break and away from the premises - off of the school site all together.
- Parents, volunteers or visitors who smoke are asked to leave the premises if they wish to smoke.
- Staff who smoke during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues. We politely ask that staff remove their uniform (polo top) whilst smoking.
