

INFORMATION ABOUT WRAPAROUND CARE AT GREENSHOOTS

Children at Greenshoots Pre-school and Laira Green Primary School can access Wraparound Care on site at Greenshoots Pre-school.

We offer a daily Breakfast and Afterschool Club during term time for children aged 2 - 11 years. Our term times match the schools. The Manager/Deputy Manager will be on site at all times. An application form and contract for extended care must be signed prior to starting as a condition of a place. You will need to pre-booked sessions where possible however we recognise that in some cases this is not possible. We can accept last minute bookings providing the necessary paperwork is complete and we have sufficient space. Sessions that have been booked will still need to be paid for even if not attended unless 24 hours notice has been given to cancel.

Breakfast Club - we offer a range of breakfast options including cereal, toast, pancakes. We will aim to ensure we meet any special dietary needs. Children are always supervised by Qualified staff and we provide suitable activities. Session Time: 8.00 am - 8.45 am
Fees: £4.50 for the session

Afterschool Club - Children are escorted to Greenshoots by their class Teacher except for years 4-6 where children bring themselves. We will follow up any children who are expected but have not turned up. Where children attend a club first then they will come to Greenshoots after normally escorted by the person running the club. Children are offered a healthy snack and drink and we provide indoor and outdoor activities. Qualified staff supervise and engage with the children throughout the session.
